

An ACT/SAT Practice Test Opportunity:

This November, for the first time at UHS, the PTSA is teaming up with Kaplan, the national leader in SAT/ACT Prep work, to offer our students a chance to practice these two college entrance required tests at a minimal cost to you. On **Saturday, November 21 at 8:00 a.m.**, our students will have a chance to sample both of these tests for the low cost of **\$20.00**. Students will take a 2-hour SAT sample test and then a 2-hour ACT sample test, with a 10-minute break in between. Testing will be completed by 12:30 p.m. On Thursday, December 10, parents are invited to attend the Kaplan results seminar in the UHS Auditorium at 7 p.m. to obtain your child's test results, learn how to interpret the score, what that score really means and what area of knowledge your child may need some "fine tuning" on to be the most successful on the test as possible. Kaplan will also offer discounts on their prep classes, but you are under **NO OBLIGATION TO PURCHASE ANYTHING FURTHER**.

This opportunity is to help your student get a feel for these tests so hopefully when they take the test for college admittance, their stress will be minimized, their anxiety will be reduced and they will be more confident and prepared to attack the test with confidence and the assurance that they will be successful and do well when the score really counts! Many students who have taken these tests will tell you that the first time is very overwhelming and that their nerves kept them from doing as well as they could have if they had had a chance to practice and were more prepared for the format.

This opportunity is open to all UHS students, regardless of grade. It's never too early to start preparing for these all-important tests and the sooner parents know if and where their student may have a weakness the sooner that student can obtain the help they need to be successful.

Please complete the form below and return it along with your payment of \$20.00 (checks payable to UHS PTSA) to either the front office or mail to Noelle Tepper at the address below. Deadline for signups is Wednesday, November 18th. Space is limited so please return your forms now to guarantee your student's seat! All proceeds from this fundraiser will help support our PTSA and the various programs we sponsor. Thank you.
